Dear Mr. Peck:

This is a status update on your Freedom of Information Act (FOIA) requests (enclosure) received by this office. Your requests were determined to fall within our Complex Track for FOIA processing. This simply means that your requests involved a large amount of records, or that the records requested require significant review within this agency or consultations with other government agencies. Please be assured that our office is committed to processing your requests as soon as possible as DIA continues its efforts to eliminate the large backlog of pending FOIA requests.

Because your requests falls within the Complex Track and has been pending for a period of time greater than the statutory allowance, this office has determined that it may be helpful to provide you with the status of your requests. Our current administrative workload is 1,167 open FOIA requests. Please see attached enclosure for your positions in the queue.

We solicit your patience and understanding and assure you, we will process your requests as soon as possible. If you have any questions, please contact the FOIA Requester Service Center, at (301) 394-5587 and reference your case number.

Sincerely,

Brian L. Jenkins
Chief, Records Management and Information Services
